# OUR PROCESS

1.

## CONSULT & BRAINSTORM

Let's get to know each other. We want to hear your goals and expectations.

2.

## RESEARCH & PLANNING

After we get a good idea of your vision, its time for us to plan out your site.

3.

## DESIGN & REVISIONS

Time to show you the design of your website and complete the final touches.

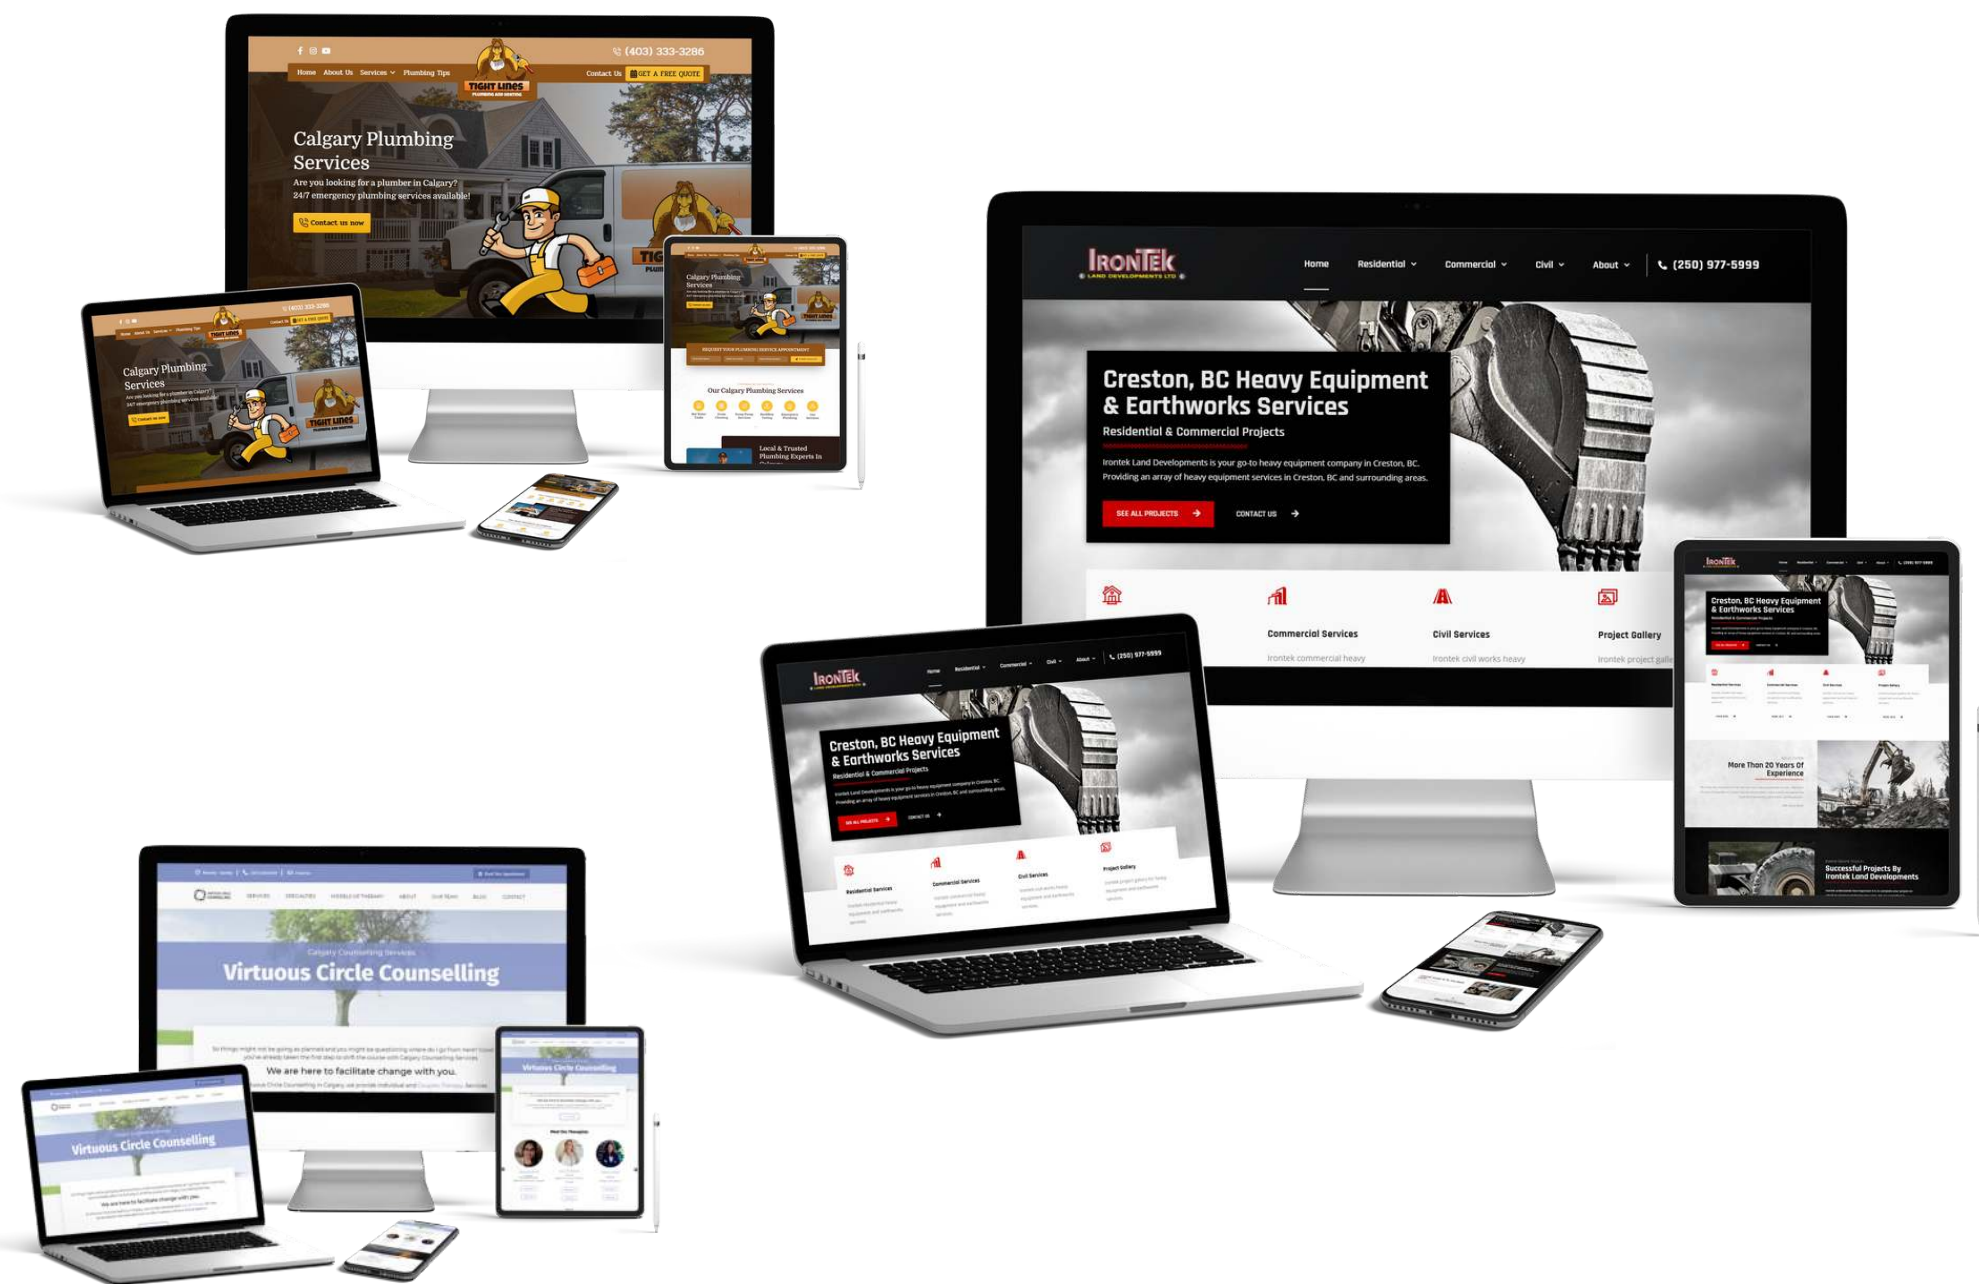

4.

## LAUNCH & MAINTAIN

Congrats! Time to launch your website on the web. We also offer ongoing maintenance packages to keep your site in good working order.
